## Directions from London to hotel

### By Air

London Gatwick International Airport is located only 30 minutes by road or rail from central Brighton. The airport enjoys direct connections to over 150 international destinations: delegates can fly in from all major European airports and from a wide range of US gateways.

London Heathrow, the world's best-connected international airport is approximately 90 minutes away by road via the M25 and M23 motorways. We can arrange private transfer between the airport and hotel for your delegates if required.

### By Rail

Brighton is only 49 minutes from London Victoria. Brighton railway station is just 5 minutes by taxi from the hotel. Trains leave from London every 30 minutes.

### By Road. Directions from London & North

Car drivers can travel to Brighton on the M23 and once at the hotel, they can benefit from our own 200-space car park, which is chargeable and subject to availability.

From London and the North take the M25. At junction 7 of the M25 turn onto the M23 (later becomes A23). From London join the A27 heading towards Worthing and take the exit sign posted Hove. At the top of the slip road take the 2nd left off the roundabout and proceed down Dyke Road. The Droveaway is approximately 1.2 miles down this road, from here turn left onto Shirley Drive and head towards the seafront. Turn left and the hotel is in front.

For European delegates bringing their car via the Channel Tunnel or ferry crossings, motorway journeys take approximately two and a half hours.

Gatwick Airport is 30 minutes away by car and 25 minutes by train. Heathrow is 90 minutes by car.
