PHILADELPHIA ARTS TOUR – Monday, August 26, 2019

Enjoy a guided tour of the [Barnes Museum](#), one of the world's greatest collections of impressionist, post-impressionist, and modern European paintings. Assembled by Dr. Albert C. Barnes between 1912 and 1951, the collection includes masterpieces by artists such as Vincent Van Gogh, Henri Matisse, and Pablo Picasso. Also displayed are important examples of African art,

Native American pottery and jewelry, Pennsylvania German furniture, American avant-garde paintings, and wrought-iron metalwork. The minute you step into the galleries of the Barnes collection, you know you're in for an experience like no other.

Next, tour the [Rodin Museum](#), home of the largest collection of Rodin sculptures to be found outside of Paris. With nearly 150 bronzes, marbles, and plasters, the distinguished collection housed in the Rodin Museum represents every phase of Auguste Rodin's career. This jewel of a museum features casts of the

artist's greatest works – The Thinker, The Burghers of Calais and The Gates of Hell. The Museum offers an intimate setting in which to enjoy some of the world's most renowned masterpieces of sculpture. Learn about Auguste Rodin and his large body of work and find out how this extraordinary museum found a home in Philadelphia.

Browse and have lunch at [Reading Terminal Market](#), one of America's largest and oldest public market spaces. Housed since 1893 in a National Historic Landmark building, this food hall offers an incredible selection of locally grown and exotic produce, meats, poultry, seafood, cheeses, baked goods, and confections.

You will also find everything you need from cookbooks, table linens, kitchenware, fresh cut flowers, plus the widest variety of restaurants all under one roof.

End the day at Philadelphia's [Magic Gardens](#), a folk art environment, and gallery space on [South Street](#). This space is an ongoing project, created by mosaic artist [Isaiah Zagar](#). The Magic Gardens spans three city blocks, and includes indoor galleries and a large outdoor labyrinth. The mosaics are made up of everything from kitchen tiles, bike wheels, bottles and china plates. It is a sight not to be missed.
