

OVERVIEW

Poster sessions are designed to give presenters an opportunity to discuss informally their research with colleagues interested in their research. The purpose of the posters is to visually stimulate interest in the research, to present sufficient information for viewers to understand the methods, results, and significance of the research, and to promote conversations and networking among conference participants.

POSTER SESSION

Posters will be displayed in Ryman Exhibit Hall. Each session is for one day:

- ◀ Monday, August 22, Poster Session A
- ◀ Tuesday, August 23, Poster Session B
- ◀ Wednesday, August 24, Poster Session C

1. Set Up

- ◀ 7:00am-8:15am. All posters must be up by 8:15am.

2. Open

- ◀ Ryman Exhibit Hall will be open from: 7:00am - 5:00pm, Monday and Tuesday, and 7:00am -1:30pm Wednesday.

All food functions (continental breakfasts, breaks and lunches) as well as exhibits will be located in Ryman Exhibit Hall.

3. Discussion Time

- ◀ Presenters should be at their poster between 12:15-1:15pm to discuss their posters with interested viewers.

4. Take Down

- ◀ All posters must be taken down by 6:00 pm on Monday and Tuesday; posters must be taken down by 2:00pm on Wednesday.

NOTE: *Neither ISPE or the Opryland Resort & Convention Center will be responsible for any poster that is left up overnight or is lost or damaged.*

August 21-24, 2005

Gaylord Opryland Resort and Convention Center, Nashville, TN

NUMBERING SYSTEM

Each poster board will be numbered. The poster number is the first number listed.

Presenters should attach their posters to the board number corresponding to the number assigned to their poster in the final program, which will be available at the registration desk. Please note the number may differ from that shown in the preliminary program. The **abstract number**, for use in locating abstracts in the final program and the special issue of *Pharmacoepidemiology and Drug Safety*, is in brackets [xxx] after the title of the abstract.

POSTER SPECIFICATIONS

1. Posters must be designed to fit a space 4 feet high by 8 feet wide. Vertical posters will not fit the boards; only horizontal posters are allowed. The board will be the only support device available. Business cards or small leaflet literature for distribution may be inserted in an envelope and affixed to the board. Poster orientation: Landscape.
2. Posters may be attached to the boards by pushpins or male Velcro. Please bring your own mounting supplies.

- 1 **Non-Steroidal Anti-Inflammatory Medication: Do Medical Records Agree with Patient Self Report? [1]**
Maziar Abdolrasulnia, Nelson Weichold, Linda L Casebeer, Norm W Weissman, Kenneth G Saag, Jeroan Allison. (United States)
- 2 **Detection and Treatment of Hypertension in General Health Care Practice. A Patient-Based Study [2]**
Ahmad AL-Windi. (Sweden)
- 3 **Patterns of Discontinuation, Dose Modification and Switching among Users of Prescription Non-Steroidal Anti-Inflammatory Drugs (NSAID) Including Cyclo-Oxygenase 2 Inhibitors (COX-2) in a UK Population [3]**
Felix M Arellano, Charles E Wentworth, Corey May, Anila Verma, Javier Cid. (United States)
- 4 **The International Diabetes Management Practices Study (IDMPS): Methodology and First Results of the Pilot Study [4]**
Cecile Beden, Pablo Aschner, Juan Jose Gagliardino, Nicolae Hancu, Patrick Sinassamy. (France)
- 5 **Regional Differences in Suicide Rate and Use of Lithium in Norway [5]**
Jorgen G Bramness, Fredrik Walbye, Svetlana Skurtveit, Aa Tverdal. (Norway)
- 6 **A Contribution to the Rational Use of Contraceptive Methods among Female Adolescent Students in Campo Grande, MS, Brazil [6]**
Valdir S Siroma, Lia LC Castro. (Brazil)
