

2017 ICPE FAQ

Questions about the meeting location

Q: Where and when is the 33rd ICPE taking place?

The 33rd ICPE is taking place Saturday, August 26 – Wednesday, August 30, 2017 in Montreal, Canada at the Palais des Congress de Montreal.

Q: Isn't the meeting taking place in Halifax on the dates August 23-27, 2017?

A: No. [Please read our press release about why the meeting was relocated.](#)

Questions about registration

Q: Normally, when I register for the annual meeting (ICPE), a membership is included in the registration. Is that available this year?

A: Yes, all registrations (except one-day registration) include a membership in the Society from July 1, 2017-June 30, 2018. If you are a current member, your ICPE registration will automatically renew your membership through June 30, 2018.

Q: I am not sure if I qualify for the "special" rate.

A: An individual must be a citizen and resident of a country classified as High, Medium or Low Human Development as identified by the United Nations (Source: Human Development Report 2016). [Click here](#) to see list of qualifying countries. If your country/region is not listed, or you are still unclear, please contact the ISPE office via email (info@pharmacoepi.org).

Q: I renewed my membership, but now want to register to attend the 2017 ICPE. Is it too late to add a registration?

A: Please contact the ISPE office via email (info@pharmacoepi.org), stating that you wish to add a meeting registration to your renewal and attach the PDF registration form to indicate payment.

Q: I submitted my registration, but now I want to add a pre-conference course. How can I do that?

A: Please contact the ISPE office via email (info@pharmacoepi.org), stating what course you wish to add and attach the PDF registration form to indicate additional payment for the course. Be sure to include your meeting confirmation number as proof that you have registered for the meeting, and put "UPDATED" at the top of the registration form. No changes to course selection will be permitted after July 31, 2017.

Q: I submitted my registration and now I realize that I registered for the wrong pre-ICPE course. How can I make a change?

A: Please contact the ISPE office via email (info@pharmacoepi.org), stating what course you wish to add and attach the PDF registration form to indicate payment. Be sure to include your meeting confirmation

number as proof that you have registered for the meeting, and put **“CORRECTED”** at the top of the registration form. No changes to course selection will be permitted after July 31, 2017.

Q: I registered recently and have not received any confirmation. When can I expect to receive a confirmation?

A: Please allow up to one week (5 business days) for your registration to be processed at the ISPE office. Confirmations are emailed weekly, usually on Friday afternoon. If your registration is received after 12:00pm noon (Eastern Time USA) on Friday, your registration confirmation will be sent out the following Friday. Please contact info@pharmacoepi.org to inquire about registration confirmation. If your registration is received near or at the Early Bird Deadline, the delay may be a few days more depending on the volume of registrations.

Q: I tried to register online, but I received an error on the method of payment page where I would submit my registration. I tried to start over, but the program keeps taking me back to that last page to submit registration. How can I return to the first page?

A: You will need to clear your web browser’s history (which varies depending on the browser you are using: ex: Mozilla, Chrome, Internet Explorer). Typically, this is done by going to Tools, Internet Options, Clear Browsing History (including data that has been entered into forms, cookies, and history).

If you continue to experience difficulties, please complete and email your registration form, including payment information, to info@pharmacoepi.org and we will enter your registration. Please note that your registration will be accepted as of the date payment is made, **not** when a registration form is received.

Q: I tried to register online; however, my credit card was declined. I know the card is good. What should I do?

A: If you are using a **debit card**, we have found that sometimes there are problems with our processing system. You may need to use a **credit card**, or send a check with payment (in US Dollars). You may also contact the ISPE office and request that we enter the credit card information for you, which we will be happy to do.

Please note - if the system has declined your card once, it is likely it will still decline it even if we input it. In that case, we would contact you and ask you to either provide a different credit card or send a check. Your registration will be accepted as of the date payment is made, **not** when a registration form is received.

Q: I have requested payment from my organization to be sent directly to you, but I want to send ISPE my registration form now. What should I do?

A: You may do so; however, you will **not** be registered until ISPE receives payment. Also, to take advantage of the lower rates (Early Bird or Advance), the payment and the registration form must be in our office by the deadline – we cannot extend the Early Bird or Advance registration deadlines.

Q: My organization would like to pay for my registration by a wire transfer, but we cannot find any information about how to do so on your website. What can we do?

A: ISPE accepts wire transfers only for registrations totaling a minimum of \$3,000.00 USD, and will include a \$150.00 USD bank fee. (ISPE's bank charges the Society a fee to receive and send wire transfers.) If your registration is at least \$3,000.00 USD, please send it in to our offices, along with a request for wire transfer information, and instructions will be forwarded to you. If your registration is less than \$3,000.00 USD, payment must be made by credit card or check, made payable in USD. Please note, the wired amount received must equal the total cost in USD.

Q: What is the definition of a "student/recent graduate" for the purposes of registering?

A: If you register as a student/recent graduate (received a degree from an institution within the last 3 years of the start date of the meeting), we require proof of your status. We will accept (1) a letter from your Program Director stating the beginning and ending dates of your program, (2) a photocopy of your student identification showing an ending date, or (3) a photocopy of your graduation diploma showing the date you graduated.

Q: My scholarship will not cover my travel costs. Can I apply for additional funds?

A: There was a large interest in the 2017 ICPE and many scholarship requests. The ISPE Scholarship Committee has allocated all budgeted money for scholarships; there are no additional funds available for the 2017 ICPE. ISPE will not be re-opening the scholarship application and accepting request for new/additional money. We hope that you can find additional funds from other sources.

Q: I would like to bring a guest to the social event/welcome reception. How can I register them?

A: When you register to attend the meeting, there is an option to register a guest for the social events at an extra cost. Please complete this information at the same time you complete your registration.

Q: I would like a certificate of attendance.

A: Certificates of attendance will be available upon successful completion of the meeting survey, which will be emailed to attendees after the meeting.

Questions about getting to the 2017 ICPE/Montreal

Q: What is the best airport to fly into for the meeting?

A: The closest airport is Montreal-Trudeau Airport (code YUL).

Q: As part of my visa application, I was told I needed a letter from the conference organizer. How can I obtain a letter?

A: To obtain a letter from ISPE for your visa application, visit our [Letter of Request form here](#) and fill out all the information. Please note, you can **only request a letter once you have registered for the meeting.** If you require the letter at a certain time, please note that in the application.

Q: Will ISPE mail my visa letter for me? I need an original letter and signature.

A: If you require ISPE to submit a visa letter with an original signature or on original letterhead, you will be required to send, in advance, the addressed and pre-paid envelope for the visa letter, or to pay for the postage for the letter. Note this request in [the Letter of Request form](#).

Q: Can ISPE help me complete my visa application?

A: No, ISPE staff is unable to provide visa application support except to submit a letter confirming your meeting registration.

Q: Do I need a visa to attend the 33rd ICPE?

A: Please visit [this Government of Canada website](#) for more details and information.

Questions about Montreal and the meeting venue

Q: In what part of Montreal will the meeting take place?

Q: What are my options for travelling to the convention centre?

A: There are several different and convenient ways to get to the centre. Visit their [Access page](#) for specific information.

Q: Do you have any recommendations for places to see or things to do in Montreal?

A: We do! Check out the [33rd ICPE Hotel/Travel page](#) for recommendations from Tourism Montreal and some theme recommendations for the city.

Q: Does ISPE have a room block with reduced room rates?

A: We do! Check out the [33rd ICPE Hotel/Travel page](#) for the latest updates on our hotel room block. As a reminder, our block is first-come, first-serve, so the early you book a room the better. Also, please note the hotel's cancellation policies when booking.

Q: I was contacted by a third party, claiming to be working with the ICPE conference and offering lower hotel rates to one of the hotels listed on your website. Should I work with this company, or can I get a lower room rate at the hotels?

A: Hotel reservations should only be made directly with the hotels recommended on the ISPE website. The hotels will not contact attendees to solicit reservations. ISPE has not contracted with any management company for reservations; **if you are contacted by a third party offering to help you with room reservations, or offering you a lower room rate at any of the hotels listed, it is most likely fraudulent and we do not**

recommend responding. The rates offered by the hotels, as listed on the ISPE website, are the lowest rates available to our attendees. ISPE is not responsible for any damages associated with contracting with a third party reservation service that may or may not claim to be associated with ISPE.

Questions about abstract selection

Q: I have questions about my oral presentation or poster presentation for the 2017 ICPE.

A: Please refer to your acceptance letter, which provides information about oral presentations or poster presentations. In addition, please refer to the Poster/Presenter Guidelines on the ICPE website for more details.

Q: How do I review the status of my abstract?

A: CTI (ISPE's abstract processor) has sent the initial notifications regarding the status of all submitted abstracts. If you have not received an email, please contact CTI Support via email at c4a@support.ctimeetingtech.com. A second notification will be sent to the **submitters** of all accepted abstracts in late June.

Q: I have a question about a submitted abstract and have contacted CTI, but I still have not heard anything. Is there someone else I can contact?

A: Notices of acceptance and rejection were sent to the email provided on the abstract submission form for the abstract **submitter**. If you have not received a notification, please send an email to the ISPE office (info@pharmacoepi.org) – in the subject line write “Status of Abstract – UNKNOWN”.

Q: When will I find out when my oral presentation is scheduled during the meeting?

A second notification will go out to those who have accepted their invitation letter. This notification will share the time, date, and additional details of the presentation. An email will go out in late -June with this information. The email will be sent to the person who submitted the abstract.

Q: I volunteered to serve as a moderator, when will I receive more information on my status?

Moderator notification letters will go out in late June with more information and specific follow-up dates.

Q: I have a late-breaker abstract that I would like to submit for consideration at the meeting. How can I submit it for consideration?

ISPE will not accept late-breaker applications for the 2017 ICPE.

Questions about meeting presentations and courses

Q: If I register for the meeting will I be able to access online content from the meeting?

A: Yes, all registrants (except one-day registrations) and all ISPE members will have access to the recorded content from this meeting and past meetings from ISPE's Learning Center.

Q: Will there be a career fair at ICPE?

A: There will not be a career fair. However, there is an opportunity to talk informally with representatives of pharmaceutical companies and service providers. Also, organizations may post job opportunities on a bulletin board located near the registration desk after approved by staff at the ISPE registration desk.

Q: Is the agenda for the meeting on the website?

ISPE is constantly updating the meeting agenda on our website to provide the latest information. Please check back regularly to see our most up-to-date information.

Q: Does ISPE have a meeting app?

The ISPE website is mobile-friendly. You can personalize your schedule right from your tablet, phone, or desktop! ISPE will be unveiling the new options closer to the meeting, so keep checking the site for more information on how to use the new site to personalize your ICPE experience.

Q: Is there a conference hashtag for Twitter/Facebook/Instagram?

The official hashtag for the conference is #ICPEMontreal.
